These amendments and new Chapter 242 are intended to bring the rules up to date with recent legislation and help facilitate the rapid response of businesses and workers to a disaster by providing that notwithstanding any law to the contrary, an out-of-state business or an out-of-state employee that performs disaster and emergency-related work on critical infrastructure during a disaster response period due to a state-declared disaster is not subject to income tax, corporate income tax, use tax, equipment tax, property tax, or tax filing, permit, or return requirements.

Notice of Intended Action was published in the Iowa Administrative Bulletin as **ARC 2942C** on February 15, 2017. No public comments were received in relation to this rule making. These amendments are identical to those published under Notice.

Any person who believes that the application of the discretionary provisions of these rules would result in hardship or injustice to that person may petition the Department for a waiver of the discretionary provisions, if any, pursuant to rule 701—7.28(17A).

The Department of Revenue adopted these amendments on March 22, 2017.

After analysis and review of this rule making, the Department finds that these amendments are not likely to have a significant impact on jobs.

These amendments are intended to implement Iowa Code sections 422.8, 422.13, 422.14, 422.16, 422.33, 422.36, 422.37, 422.68, 423.6, 423.33, 423.58, 423D.3, and 427.1.

These amendments will become effective June 28, 2017.

The following amendments are adopted.

ITEM 1. Amend rule 701—12.17(422) as follows:

701—12.17(422 423) Purchaser liability for unpaid sales tax. For sales occurring on and after March 13, 1986, if a purchaser fails to pay sales tax to a retailer required to collect the tax, the tax is payable by the purchaser directly to the department. The general rule is that the department may proceed against either the retailer or the purchaser for the entire amount of tax which the purchaser is, initially, obligated to pay the retailer. However, see 701—subrule 15.3(2) for a situation in which the obligation to pay the tax is imposed upon the purchaser alone. On or after January 1, 2016, see 701—Chapter 242 for a situation in which the obligation to pay the tax is not imposed on an out-of-state business operating within Iowa solely for the purpose of performing disaster or emergency-related work during a disaster response period as those terms are defined in Iowa Code section 29C.24.
